We pride ourselves for being ND Residents and it is time to create healthy smoke-free/ tobacco-free ND State Fair

In 2015, First District Health Unit, Minot, ND did a community survey on smoke-free/tobacco-free events and outdoor areas. Over 50% of the respondents wrote in the ND State Fair as a place they would like to see smoke-free.

As you enjoy the fair this week, please consider writing comments/suggestions/testimonials for a smoke-free/tobacco-free fairgrounds. Send them to stampcoalition@yahoo.com or you may contact First District Health Unit, at: 701-837-5131 or klampton@nd.gov.
