

Deck fire causes moderate damage

FARGO – Fargo firefighters quickly put out a deck fire reported at 8:38 a.m. Monday at 4234 9th Ave. Circle S.

Firefighters used a portable fire extinguisher to put out the fire on a secondfloor deck of the apartment building, according to a Fire Department news release.

The fire, which was started by smoking materials igniting combustibles, did moderate damage to the deck, the release stated. Damage was estimated at \$500. There were no injuries to occupants.

The Fire Department responded with 16 personnel on four engines, one truck and one command vehicle.
